Q&A

Q1. How many days will it take from the time of card application to the time of its arrival at hand?

A1. 2 to 3 weeks

Q2. Is there a prospect that any other types of cards other than VISA/Master will be added?

A2 There is a plan that bank cards and some other various cards can be used.

Q3. What is the system for charging?

A3. Wallet will be opened at SB101 Exchange, and deposit Bitcoin or Litecoin that corresponds to dollars, which are required for charging. At the time of charging, the currency will be converted to USD at Exchange, and it will be charged to a card.
